Early Arrival

As check in at most hotels is not until 1400, it is possible that your room may not be ready for immediate occupation on your early arrival. Whilst hotels will do everything possible to accommodate early arrivals, if you wish to be guaranteed immediate occupation you can pay an extra day's tariff for the night before you are due to arrive. If you wish to take this precaution, please advise the Accommodation Secretariat on the registration form so we can notify the hotel that your room is required early.

Late Arrival

Please indicate if you will arrive at your hotel after 1800. Failure to do so might result in your room being released.
