

G-I-N 2018 Annual Conference Programme (11th – 14th September)

Tuesday 11th September

7:00 am – 2:00 pm	Pre-conference Courses Registration	Clock Tower Foyer
8:00 am – 12:30 pm	Course 8 Part 1: Using the GRADE approach to assess the certainty of evidence in Guideline Development <i>The Grading of Recommendations Assessment, Development and Evaluation (GRADE) Working Group</i>	Clock Tower 7
8:30 am – 12:30 pm	Course 2: Developing guidelines for rare diseases: balancing rigour and pragmatism <i>Healthcare Improvement Scotland</i>	Clock Tower 1
9:00 am – 12:00 pm	Course 1: The use of core outcome sets to inform guideline development <i>University of Liverpool with NICE</i>	The Ribble, NICE Office: Level 1A, City Tower, Piccadilly Plaza, Manchester M1 4BT
9:00 am – 12:00 pm	Course 5: Using shared decision making to achieve the purpose and impact of guidelines <i>DynaMed Plus</i>	Clock Tower 4
9:00 am – 4:00 pm	Course 3: Introduction to evidence for guidelines <i>Healthcare Improvement Scotland with NICE and SIGN</i>	Clock Tower 5
9:00 am – 4:00 pm	Course 7: A course on barrier identification & solution to address guideline implementation challenges <i>International Centre for Allied Health Evidence</i>	Clock Tower 6
12:00 pm – 1:30 pm	Networking Lunch	
1:00 pm – 5:00 pm	Course 6: Re-defining guideline adaptation and implementation: beyond development, generating a case for facilitation and pre-planned implementation <i>Joanna Briggs Institute (JBI)</i>	Clock Tower 4
1:15 pm – 5:15 pm	Course 8 part 2: Using the GRADE approach to assess the certainty of evidence in guideline Development <i>The Grading of Recommendations Assessment, Development and Evaluation (GRADE) Working Group</i>	Clock Tower 7
1:30 pm – 4:30 pm	Course 4: Introduction to diagnostic test accuracy studies <i>Royal College of Physicians</i>	Clock Tower 1
2:00 pm – 5:00 pm	Main Conference Registration	Whitworth Suite
5:30 pm – 6:30 pm	Annual General Meeting G-I-N members only closed meeting	Clock Tower 1
7:00 pm – 9:00 pm	Welcome Reception The welcome reception will be held at Manchester's Museum of Science and Industry. The museum sits in the heart of Manchester, the world's first industrial city. It is devoted to the development of science, technology and industry and is located on the site of the oldest passenger railway station in the world.	Museum of Science and Industry: Liverpool Rd, Manchester M3 4FP

The welcome reception will provide a unique opportunity to network with fellow delegates and to meet-and-greet members of the G-I-N working groups.

Wednesday 12th September

7:00 am – 6:00 pm	Registration	Whitworth Suite
7:30 am – 6:00 pm	Exhibition & Posters	Whitworth Suite Ballroom Foyer
7:30 am – 8:30 am	Fringe Meetings:	
	GINAHTA Working Group	Clock Tower 5
	G-I-N Iberoamerica Regional Community	Clock Tower 7
	G-I-N Nordic Regional Community	Clock Tower 4
	Scientific Committee (2019) – Closed meeting	Clock Tower 1
8:45 am – 9:10 am	Welcome Welcome from G-I-N and local host organisations NMC Award Presentation	Ballroom
9:10 am – 10:30 am	Opening Plenary - Once upon a guideline: the story of developing an evidence ecosystem Chaired by Sir Andrew Dillon & Corinna Schaefer PL001.Guidelines: a brief history and why we need them: <i>Fergus Macbeth</i> PL002.Progress in evidence-based medicine: a quarter century on – focusing on the role of guidelines in EBM: <i>Gordon Guyatt</i> PL003.Current challenges and solutions, developing guidelines within the evidence ecosystem: <i>Linn Brandt</i> PL004.From review to delivery - embedding the voice of the service user in our work: <i>Jonathan Senker</i>	Ballroom
10:30 am – 11:00 am	Morning Refreshment Break	Whitworth Suite Ballroom Foyer
11:00 am – 12:30 pm	Workshop 1a (advanced booking) W001a.Running a successful network to support methodologists and guideline developers: sharing experiences from UK evidence synthesis networks: <i>Judith Thornton</i>	Clock Tower 6
11:00 am – 12:30 pm	Workshop 1b (advanced booking) W001b.Building a guideline that meets the highest standards: breaking it down to what you need to know and do: <i>Karen Schoelles</i>	Clock Tower 7
11:00 am – 12:30 pm	Panel Session 1 PS001.Low back and radicular pain: an interactive care pathway for implementing the Belgian guideline: <i>Pascale Jonckheer</i>	Clock Tower 1
11:00 am – 12:30 pm	Oral Session A: Indicators Chaired by Hector Pardo-Hernandez	Clock Tower 4

	<p>OA001. Associations between guideline quality indicators and guideline characteristics: <i>Sarah Cunningham</i></p> <p>OA002. Checking the checkboxes – Development of criteria & methodology for evaluation of appropriateness of clinical quality measures: <i>Alan Drabkin</i></p> <p>OA003. International insights into the development of guideline-based quality indicators. Results from a qualitative study: <i>Monika Nothacker</i></p>	
11:00 am – 12:30 pm	<p>Oral Session B: Rapid guideline development Chaired by Steve Pilling</p> <p>OB001. Guideline Development Checklist extension for rapid guidelines: <i>Rebecca Morgan</i></p> <p>OB002. Accelerated Guideline Development Working Group: developing the AGD methods and assessment: <i>Sophie Blanchard-Musset</i></p> <p>OB002. Increasing speed while maintaining guideline quality: fact or fiction? – Developing Primary Care Rapid Recommendations: <i>Ton Kuijpers</i></p>	Ballroom
11:00 am – 12:30 pm	<p>Oral Session C: Alternative evidence Chaired by Samia Alhabib</p> <p>OC001. Global Evidence Ecosystem for Oral Health: From new evidence to systematic reviews, trustworthy, recommendations and decision aids changing practice: <i>Tanya Walsh</i></p> <p>OC002. Structured comparison of Clinical Practice Guidelines via Clinical Decision Trees using Population Based Registry Data, applied to Non-Muscle Invasive Bladder Cancer: <i>Kees Ebben</i></p> <p>OC003. Consensus recommendations in the absence of good evidence: understanding the spectrum in NICE guidelines: <i>Patrick Langford</i></p>	Oak Room
12:30 pm – 2:30 pm	Lunch Break	Whitworth Suite
12:30 pm – 1:15 pm	<p>EBSCO Health Solving the Big Challenges <i>Brian Alper</i> (Sponsored Lunchtime Symposium by EBSCO Health)</p>	Clock Tower 5
12:30 pm – 1:25 pm	<p>Fringe Meeting (closed session) Talking G-I-N (WG & RC Chairs – policy & leadership discussion)</p>	Clock Tower 1
1:30 pm – 2:25 pm	Fringe Meetings	
	Accelerated Guideline Development Working Group	Clock Tower 1
	Updating Guidelines Working Group	Clock Tower 4
	G-I-N Africa Regional Community	Clock Tower 5
	G-I-N Asia Regional Community	Clock Tower 7
2:30 pm – 4:00 pm	<p>Plenary Session 1 - Guidelines: Does cost matter? Chaired by Ina Kopp and Amir Qaseem</p> <p>PL005. Does cost matter? Combining clinical guidelines and HTA: the case of Colombia: <i>Hector E Castro</i></p> <p>PL006. Does cost matter? The role of cost-effectiveness in clinical guidelines: <i>Joanne Lord</i></p>	Ballroom

	<p>PL007. A Chinese perspective for guidelines: does cost matter?: <i>Yaolong Chen</i></p> <p>PL008: International perspectives on how to develop guidelines with cost in mind: <i>Doug Owens</i></p>	
4:00 pm – 4:30 pm	Afternoon Refreshment Break	Whitworth Suite Ballroom Foyer
4:30 pm – 6:00 pm	<p>Workshop 2a (advanced booking)</p> <p>W002a. Why we do what we do and how we can do it better: strengthening synergy between guideline and HTA Communities: <i>Brian O'Rourke</i></p>	Clock Tower 6
4:30 pm – 6:00 pm	<p>Workshop 2b (advanced booking)</p> <p>W002b. How to convert your guideline into useful information for patients and the public: <i>Nancy Santesso</i></p>	Clock Tower 7
4:30 pm – 6:00 pm	<p>Panel Session 2</p> <p>PS002. Enhancing trustworthiness of Choosing Wisely Recommendations and knowledge transfer – international approaches: <i>Ina Kopp</i></p>	Clock Tower 1
4:30 pm – 6:00 pm	<p>Oral Session E</p> <p>Chaired by John Kinsella</p> <p>OE001. Contribution analysis and understanding impact: Do your guidelines make a difference? <i>Megan Lanigan</i></p> <p>OE002. You say, we do: NICE response to users' needs of implementing its guidance: <i>Xia Li</i></p> <p>OE003. Clinician Perspectives, Context and Costs Influence Implementation of Guideline Recommendations in Cardiology in the United States and Canada: <i>Veena Manja</i></p>	Ballroom
4:30 pm – 6:00 pm	<p>Oral Session F: GRADE & grading evidence</p> <p>Chaired by Christine Laine</p> <p>OF001. How can we integrate GRADE and a formal consensus method into an international guideline project? The example of an international consensus conference on patient blood management: <i>Hans Van Remoorthel</i></p> <p>OF002. Confidence in recommendations based on Network Meta-Analysis: threshold analysis as an alternative to GRADE, United Kingdom: <i>David Philippo</i></p> <p>OF003. Adapting GRADE for diagnostic test accuracy studies: lessons from the 2018 NICE Dementia guideline update: <i>Marie Harrisingh</i></p>	Oak Room
4:30 pm – 6:00 pm	<p>Oral Session G: Systematic reviews 1</p> <p>Chaired by Zachary Munn</p> <p>OG001. Cochrane and MAGIC partnership: Results from musculoskeletal pilot project on arthroscopic surgery for degenerative knee disease: <i>Denise O'Connor</i></p> <p>OG002. A series of Nutritional Recommendations and accessible Evidence summaries Composed of Systematic reviews (NutriRECS): <i>Bradley Johnston</i></p>	Clock Tower 5

	OG003.Rating the applicability of randomized and non-randomized studies in systematic reviews on the effects of interventions: <i>Tahira Devji</i>	
4:30 pm – 6:00 pm	<p>Oral Session H: Benefits vs harms Chaired by Naohito Yamaguchi</p> <p>OH001.Benefits and Harms: interpreting adverse events in a clinical evidence review: <i>Kate Kelley</i> OH002.Quantitative benefit harm assessment of blood pressure targets in older people with hypertension and multiple chronic conditions: <i>Helene Aschmann</i> OH003.NICE guidelines: measuring the environmental impact: <i>Leighton Coombs</i></p>	Clock Tower 4
6:00 pm – 7:00 pm	Fringe Meetings	
	Multimorbidity Working Group	Clock Tower 1
	G-I-N North America Regional Community	Clock Tower 6
	Implementation Working Group	Clock Tower 4
	G-I-N Public Working Group	Clock Tower 5

Thursday 13th September

7:00 am – 5:30 pm	Registration	Whitworth Suite
7:30 am – 4:00 pm	Exhibition & Posters	Whitworth Suite Ballroom Foyer
7:30 am – 8:25 am	<p>Fringe Meeting - Membership sub-committee meeting (registration required) An open session for recruitment and retention strategies - an opportunity to learn about and join the G-I-N Membership Committee</p>	Clock Tower 1
8:30 am – 10:00 am	<p>Plenary Session 2 - Mind the gap: Developing recommendations with alternative forms of evidence Chaired by John Kinsella & Sue Huckson</p> <p>PL009.Using real-world evidence: <i>Julian Elliott</i> PL010.Using formal consensus methodology: <i>Andrew Hutchings</i> PLO11.The Role of Experts in Guideline Development: The Good, the Bad and the Ugly: <i>Eve Kerr</i></p>	Ballroom
10:00 am – 10:30 am	Morning Refreshment Break	Whitworth Suite Ballroom Foyer
10:30 am – 12:00 pm	<p>Workshop 3a (advanced booking) W003a.Reducing bias in guideline development - managing conflicts of interests: <i>Justine Karpusheff</i></p>	Clock Tower 6

10:30 am – 12:00 pm	Workshop 3b (advanced booking) W003b.GINtech – Sharing of data within the evidence ecosystem: <i>Brian Alper</i>	Clock Tower 7
10:30 am – 12:00 pm	Panel Session 3 PS003.Guidelines and value interventions: insights and system learning: <i>Paul Chrisp</i>	Clock Tower 5
10:30 am – 12:00 pm	Oral Session I: PROMS and outcomes Chaired by Anna Lord OI001.Patient reported outcomes monitoring to assess long term outcomes in line with national guidance: <i>Gunveer Plahe</i> OI002.The use of core outcome sets to inform guideline development: <i>Elizabeth Gargon</i> OI003.Interpretation of patient reported outcome measures: An inventory of over 3,000 minimally important difference estimates and an assessment of their credibility: <i>Alonso Carrasco-Labra</i>	Clock Tower 1
10:30 am – 12:00 pm	Oral Session J: Updating guidelines Chaired by Rodrigo Pardo Turriago OJ001.Refreshing guidelines: changing guideline recommendations outside of an update process: <i>Emma McFarlane</i> OJ002.Guideline profiling: Are there any associations between guideline characteristics and a decision to update? <i>Omar Moreea</i> OJ003.The scoping of updated guidelines: NICE's experience of translating a surveillance decision into a final scope: <i>Katrina Penman</i>	Ballroom
10:30 am – 12:00 pm	Oral Session K: Patient and public engagement Chaired by Yerado Abrahamian OK001.Including the patient/public perspective: What is working and what is not? <i>Lisa Haskell</i> OK002.The INVOLVED Study: Investigating Lay members' Views in Guideline Development: <i>Alice Mary-Biggane</i> OK003.Engaging Patients and Caregivers Managing Rare Diseases to Improve the Methods of Clinical Guideline Development: <i>Dmitry Khodyakov</i>	Oak Room
10:30 am – 12:00 pm	Oral Session L: Adapting guidelines Chaired by Nichole Taske OL001.Facilitating formal decision-making when following the ADAPTE framework: A modified-Delphi approach to classify risk in pregnancy: <i>Barrie Tyner</i> OL002.Developing Registry-Enabled Quality Measures from Guidelines for Cerumen Impaction and Allergic Rhinitis using a Transparent and Systematic Process: <i>Jeremy Michel</i>	Clock Tower 4

	OL003. Defining thresholds for normality in a NICE clinical guideline context: approaches and applicability: <i>Eva Gonzalez-Viana</i>	
12:00 pm – 2:00 pm	Lunch Break	Whitworth Suite
12:00 pm – 12:55 pm	Fringe Meetings	
	G-I-N Arab Regional Community	Clock Tower 4
	LMIC Working Group	Clock Tower 1
	Adaptation Working Group	Clock Tower 6
12:00 pm – 1:55 pm	Fringe Meeting CoCoCare training and the G-I-N symposium session	Clock Tower 7
1:00 pm – 1:55 pm	Fringe Meetings	
	Performance Measures Working Group	Clock Tower 1
	Allied Health Working Group	Clock Tower 4
	G-I-N ANZ Regional Community	Clock Tower 5
	G-I-N Tech Working Group	Clock Tower 6
2:00 pm – 3:30 pm	Plenary Session 3 - Beyond guidelines: where does patient choice fit in? Chaired by Hector Pardo-Hernandez & Stephanie Chang PL012. Automated decision aids from guidelines: <i>Thomas Agoritsas</i> PL013. How do you reconcile strong recommendations with patient choice and shared decision making? <i>Gregor Smith</i> PL014. Fully informed decision making: patient access to their health care data: <i>Catherine DesRoches</i>	Ballroom
3:30 pm – 4:00 pm	Afternoon Refreshment Break	Whitworth Suite Ballroom Foyer
4:00 pm – 5:30 pm	Workshop 4a (advanced booking) W004a. An introduction to network meta-analysis for decision making: <i>Sofia Dias</i>	Clock Tower 6
4:00 pm – 5:30 pm	Workshop 4b (advanced booking) W004b. Systematic construction of indicators to evaluate implementation of clinical practice guidelines: <i>Agne Ulyte</i>	Clock Tower 7
4:00 pm – 5:30 pm	Panel Session 4 PS004. G-I-N Low and Middle-Income Countries (LMIC) Working Group: What we do, why we do, and how we do it? <i>Joseph L. Mathew</i>	Clock Tower 5
4:00 pm – 5:30 pm	Oral Session M: Decision aids Chaired by Gillian Leng OM001. Implementing a mammography decision aid for women ages 40-49 in a primary care setting: A pilot study: <i>Elizabeth Liles</i> OM002. Dissemination of guideline-based clinical decision support through an innovative online clinical decision support repository: <i>Jeremy Michel</i> OM003. iDeAsTM: creating guideline-based interactive patient decision aids to provide tailored recommendations: <i>Holger Schunemann</i>	Ballroom

4:00 pm – 5:30 pm	<p>Oral Session N: Developing guidelines Chaired by Per Olav Vandvik</p> <p>ON001. Directing the update of sedation guidance through effective scoping: <i>Douglas Stirling</i> ON002. Developing recommendations for conditions with multiple treatment options: a case study: <i>Veronica Colpani</i> ON003. Closing the knowledge cycle: Development of a National Research Agenda based on knowledge gaps derived from Dutch general practice guidelines: <i>Jolanda Wittenberg</i></p>	Clock Tower 1
4:00 pm – 5:30 pm	<p>Oral Session P: Searching Chaired by Karen Ritchie</p> <p>OP001. Which databases should be used to identify studies for systematic reviews of economic evaluations? <i>Hannah Wood</i> OP002. Performance of Ovid MEDLINE search filters to identify health state utility studies: <i>Hannah Wood</i> OP003. Search strategies of studies on the quality assessment of guidelines: A cross-sectional study: <i>Qi Zhou</i></p>	Clock Tower 4
4:00 pm – 5:30 pm	<p>Oral Session T: Trustworthy guidelines Chaired by Kay Nolan</p> <p>OT001. Developing clinical practice guidelines that combine efficiency and rigorous methodology: a new approach by the European Respiratory Society: <i>Thomy Tonia</i> OT002. Consistency of recommendations across guidelines (CRAG) for hypertension: <i>Brian Alper</i> OT003. Trustworthy guidelines in the National Guideline Clearinghouse: The institute of medicine's hope realised? <i>Sarah Cunningham</i></p>	Oak Room
7:00 pm – 12:00 am	<p>Gala Dinner The gala dinner will be held in the Principal hotel's elegant ballroom. The ballroom offers a wonderful sense of occasion on a grand scale. Enjoy a classic British sit-down meal followed by entertainment, music and dancing.</p>	<p>Whitworth Suite for drinks reception</p> <p>Ballroom for dinner and dance</p>

Friday 14th September

7:30 am – 12:30 pm	Registration	Whitworth Suite
7:30 am – 12:30 pm	Posters	Whitworth Suite Ballroom Foyer
8:30 am – 10:00 am	<p>Workshop 5a (advanced booking) W005a. Systematic construction of indicators to evaluate implementation of clinical practice guidelines: <i>Agne Ulyte</i></p>	Clock Tower 6

8:30 am – 10:00 am	<p>Workshop 5b (advanced booking) W005b. Building a guideline that meets the highest standards: breaking it down to what you need to know and do: <i>Karen Schoelles</i></p>	Clock Tower 7
8:30 am – 10:00 am	<p>Special Session Q: How can HTA communities work with guideline developers more efficiently for mutual benefit? Chaired by Per Olav Vandvik</p> <p>OQ001. How to join forces with the HTA community and grow the evidence ecosystem: <i>Stijn van de Velde</i> OQ002. INAHTA strategies, challenges and advances towards collaboration with guideline developers, with news from GINAHTA: <i>Ilse Verstijnen</i> OQ003. Sharing HTA evidence and innovations across the world to reduce duplication: <i>Tammy Clifford</i></p>	Ballroom
8:30 am – 10:00 am	<p>Oral Session O: Novel approaches to involving people Chaired by Mary Nix</p> <p>OO001. An innovative approach to including the voice of children and young people in guidelines – an evaluation: <i>Jess Fielding</i> OO002. Capturing patient experiences from online health communities to inform guidance production: <i>Rameez Rahman</i> OO003. Using social media to support uptake, implementation and evaluation of NICE guidance: <i>Amy Thomas</i></p>	Clock Tower 4
8:30 am – 10:00 am	<p>Oral Session R: Guidelines into practice Chaired by Sarah Florida-James</p> <p>OR001. Knowledge translation interventions for the implementation of guidelines: A targeted review: <i>Karen Spithoff</i> OR002. De-implementation of low-value care practices based on guideline recommendations: <i>Alke Nijboer</i> OR003. Assessment of the quality, credibility and implementability of 161 Clinical Practice Guidelines using the AGREE-REX instrument: <i>Ivan D. Florez</i></p>	Clock Tower 1
8:30 am – 10:00 am	<p>Oral Session S: Systematic Reviews 2 Chaired by Roberta James</p> <p>OS001. Increasing value and reducing research waste in systematic reviews to inform guideline development: <i>Wojtek Wiechoch</i> OS002. Rapid systematic reviews to inform recommendations in National Clinical Guidelines: the Norwegian experience: <i>Caroline Hodt-Billington</i></p>	Clock Tower 5

	OS003.Adults' perspective about meat consumption: a mixed methods systematic review for trustworthy guideline recommendations: <i>Claudia Valli</i>	
10:00 am – 10:30 am	Morning Refreshment Break	Whitworth Suite Ballroom Foyer
10:30 am – 12:00 pm	<p>Plenary Panel 4: Guidelines into practice – award for the best implementation submission Chaired by Anna Gagliardi & Gillian Leng</p> <p>This plenary will see three abstract authors presenting their real-world examples of implementing a guideline in their region:</p> <p>PL015.Training in practice intervention to target antibiotic prescribing: A feasibility study: United Kingdom: <i>Linda Young</i> PL016.Guidelines to practice - implementing patient-centred processes for stroke rehabilitation: <i>Susan Hillier</i> PL017.Improving quality of life in patients with lower limb Osteoarthritis (OA): <i>Emma Busby</i></p> <p>After exploring the challenges and barriers each author faced, delegates will have the opportunity to take part in an interactive Q&A session followed by a vote which will see the most impressive implementation example awarded with a prize kindly sponsored by the European Society of Cardiology.</p>	Ballroom
12:00 pm – 12:30 pm	<p>Closing Session Closing address from G-I-N and local hosts from G-I-N conference 2019</p>	Ballroom
